

I am TOTALY AGAINST the FCC weakening our Wisconsin "no call list" law. I DO NOT want to be bothered by ANY unsoliciated calls-EVER! If I have terminated my business with any company, bank, etc. I DO NOT want them to have the right to keep calling me-if I want something, I WILL DO THE CALLING!!!! The Federal Govnm't has NO BUSINESS interffering with our state law in this matter. If you do, it just goes to prove that you are run by "big money"-the banking field and the public who pays your wages!!!!!! LEAVE OUR WISCONSIN LAW ALONE!!!!!!!
